**Beautiful Walls and Ceilings  
For Every Home**

It is the walls and ceilings of a room that largely make or mar a decorative effect, but when these walls are decorated with Hanna's LIQUID SATINOID, furniture and furnishings are set off to the best advantage.

LIQUID SATINOID's soft tone finish, in any of the attractive tints or shades, provides an effect one never tires of. LIQUID SATINOID is also more sanitary than wall paper, and can be washed again and again.

**CREAM SEPARATORS**

We take pleasure in announcing that we have taken the agency for the DeVal Cream Separator—recognized everywhere as the world's best separator.

The new DeVal is the best DeVal ever built—more than 100,000 users say so. The new model DeVal has all the good features of the old machine, plus self-centering bowl, light running quality, all-around superiority and greater convenience.

You lose money by not having a DeVal. With better fat at present prices you are losing more than ever if you have an inferior separator or if you skim by hand. A new DeVal will soon pay for itself.

It is as easy to buy a DeVal now that no farmer can afford to be without one. The DeVal can be purchased for cash, on easy terms or on the installment plan. Call and let us show you the new DeVal, or better still, let us demonstrate it on your own farm. Catalogs on request.
